

CFA 2004 Convention Kansas City Tours

Tours in Kansas City are very IFFY!

If we can get enough folks signed up in time we will have the tours described on the reverse side of this form. If you possibly can please sign up now by sending your check with the registration form.

If we get enough folks signed up for just one of the tours we will proceed with it and refund those who signed up for the tour that did not make it.

If we don't get enough folks signed up for either tour funds will be refunded for both tours.

If we don't make either of the tours described on the reverse side then we will try to make arrangements to have our own CFA informal tours on the dates as shown.

If we can reach you via email we will keep you posted on the status of tours. If you are not sure we have your email address then send it via email to cfa@chapmanfamilies.org. Be sure to identify your self by name and by CFA number. The latter was on the top line of the label that sent you this.

SIGN UP FOR TOURS

Sign us up for ___ folks for the tour of Independence, Wednesday May 12 @ \$49 each _____

Sign us up for ___ folks for the tour of KC, Thursday May 13 @ \$38 each _____

Total for tours _____

Name _____ CFA # _____

CFA 2004 Convention Programs

The Programs for this convention will be tailored to your desires.

Please tell us the two subjects you most like to have presented on Friday in the workshop. Subjects such as census, military records, land records, vital records (birth-marriage-death), wills & estates, court, migrations, etc.

#1 _____ # 2 _____

As you may know our CFA presentations are home grown.

What subjects would you be willing to present? We will help you.

Advise us of the above ASAP via email to cfa@chapmanfamilies.org

One of you suggested that each registrant bring a map showing the migration of their Chapman ancestors. Enclosed you will find a map showing all of the states and counties in the contiguous United States. You may want to enlarge the portion that pertains to your family.

Mark the counties where you Chapman ancestors resided and annotate the map to show the name of the state & county and the applicable time period. Also annotate your name and CFA #.

As soon as possible mail your map to CFA Data Central, P.O. Box 1586, Florissant, MO 63031. Keep a copy to bring with you. We will scan the maps received and have them fixed for projection so that all present can see them as they are discussed on Saturday afternoon in the Chapman Family Forum.

It has also been suggested that registrants bring pedigree charts to hand out.

As we did last year in Richmond- we will have displays of photographs. If possible put your photos with labels on foam display boards and bring them with you. If that is not possible mail your photographs to the address two paragraphs above. All photographs received by about March 31, 2004 will be entered in this years photo contest. Images may be emailed to cfa@chapmanfamilies.org.
